

## PROVIDING ADDITIONAL FUNDS TO THE COMMITTEE ON EDUCATION AND LABOR TO STUDY WELFARE AND PENSION PLAN PROGRAMS

SEPTEMBER 29, 1971.—Referred to the House Calendar and ordered to be printed

Mr. THOMPSON of New Jersey, from the Committee on  
House Administration, submitted the following

### REPORT

[To accompany H. Res. 607]

The Committee on House Administration, to whom was referred the resolution (H. Res. 607) having considered the same, report favorably thereon without amendment and recommend that the resolution do pass.

By voice vote the committee adopted a motion to report House Resolution 607.

House Resolution 607 is an amended version of House Resolution 569, which was introduced by the Honorable Carl D. Perkins, chairman of the Committee on Education and Labor, to provide additional funds to the Committee on Education and Labor to study welfare and pension plan programs. After hearing testimony on behalf of House Resolution 569, the Committee on House Administration considered three technical amendments which were adopted and incorporated into House Resolution 607.

The following letters from the Honorable Carl D. Perkins, chairman of the Committee on Education and Labor, and the Honorable John H. Dent, chairman of the General Subcommittee on Labor, indicate the total amount of additional funds to be provided by this resolution, the purpose for which the funds are to be used, and the reason the funds were not procured in the primary expense resolution for the Committee on Education and Labor.

HOUSE OF REPRESENTATIVES,  
COMMITTEE ON EDUCATION AND LABOR,  
Washington, D.C., September 20, 1971.

HON. WAYNE HAYS,  
*Chairman, Committee on House Administration,  
U.S. House of Representatives, Washington, D.C.*

DEAR MR. CHAIRMAN: I understand your committee is considering House Resolution 607, an amended version of House Resolution 569, which would provide \$100,000 to pay the expenses of a special investigation and study of welfare and pension plans to be conducted pursuant to House Resolution 213 by the Committee on Education and Labor.

At the time our primary resolution was being considered we hoped that our present staff could accomplish an adequate study of the pension plan field and simultaneously fulfill their other legislative responsibilities. It is abundantly clear, however, that the field is considerably more complex than we had originally estimated and its implications not only more complex but more profound than we had earlier estimated. If we are to do justice to the subject matter and adequately serve the interests of the House of Representatives and the public, additional resources will be needed.

The General Subcommittee on Labor was allocated \$85,000 to carry out its legislative responsibilities during the first session of the 92d Congress. As of August 1, the subcommittee had expended \$39,015.04 of that amount.

Sincerely,

CARL D. PERKINS.

HOUSE OF REPRESENTATIVES,  
COMMITTEE ON EDUCATION AND LABOR,  
GENERAL SUBCOMMITTEE ON LABOR,  
Washington, D.C., September 24, 1971.

HON. WAYNE L. HAYS,  
*Chairman, Committee on House Administration,  
U.S. House of Representatives, Washington, D.C.*

Sincerely yours,

JOHN H. DENT,
